## CRIME ALERT

Withers Grove, like most of South Charlotte, has seen a spike in crime. Please be advised of the following:

- A BLUE MULTI-PASSANGER VAN- license plate started with an A- was recently seen in the neighborhood. A man was on foot was checking to see if car doors were unlocked as the van waited nearby. The police were called- but the van was gone. Please call 911 to report any suspicious activity.
- Thefts from vehicles are up in general- remove all valuables from vehicles
- Lock your vehicle doors and try to park in the garage
- Keep outdoor lights on
- Shut garage doors when not in the garage
- A recent door-to-door salesman went through neighborhood saying he had the endorsement of the HOA- this is untrue. The neighborhood has a no solicitation policy, but according to CMPD, each homeowner must display a "No Solicitation" sign in order to stop door-to-door sales people.
